

Colington Yacht Club

P.O. Box 3232
Kill Devil Hills, NC 27948

January 2012

Every year the Colington Yacht Club (CYC) creates a 'Year Book' containing a list of members and business sponsors. This is an excellent opportunity to have your business services or products available to our members and the 'internet' community via our web site - 'www.colingtonyachtclub.com.'

Business sponsorship is as easy as providing a business card that can be scanned into the Year Book and placed on the CYC web site. Additionally, your web address can be linked automatically to your web site from the CYC web site, so that anyone viewing the CYC web site can go directly to your web site to see your services or products. A scanned copy of your business card in the Year Book and placed on the CYC web site is \$35. Your business card in the Year Book, on the CYC web site and the automatic link to your web address from the CYC web site is \$50.

In addition, you should consider a membership in the CYC. As a member you are eligible to enter most yacht clubs in the world. As CYC is a member of the Albemarle Sound Sailing Association (ASSA) you will be able to participate with your boat or as crew at various yacht clubs on the Albemarle Sound from Spring through Fall. CYC youth sailing program, social events like benefits, silent auctions, dinners, regattas and leisure sailing including raft-ups and cruises are excellent networking opportunities for our members and the community.

Thank you in advance for becoming a business sponsor and if you chose joining a great club that is in the middle of the most exciting direction in yachting today.
